Attn: Patients

This is a notice to inform you of our office Medical Cannabis policy.

Our physicians are not enrolled in the Illinois program for the use of Medical Cannabis for our patients. Currently our physicians are not prescribing this drug. Our top priority has always been, and will continue to be our patient's safety, and will continue to provide what we think is an appropriate therapy for all of your Neurologic needs.

We will continue to review the evidence as the program evolves.

Thank you for your continued support of our practice.

Regards,

**Rachelle Del Boccio
Practice Administrator**
